

Case Study

Commissioner of Irish Lights

Harbour Road, Dun Laoghaire, Co. Dublin

120° Desk & Storage Unit

Client: Commissioner of Irish Lights

Dealer: Ergo Furniture Systems

Furniture: Reception Desk, Workstations, Meeting Table

Finish: Oak Veneer

Executive Office Layout: Bow Front Workstation & Circular Table

Brief: The phenomenal harbour view at Dun Laoghaire was an integral aspect of the office space and formed an impactful backdrop to every room. It was critical that we took a sympathetic approach to furnishing to ensure that every effort was made to take advantage of the unique position. Inspired by the curved wooden bow of the yachts in the harbour, we combined the smooth curves of Siansa with the more modern lines of our Partners range of furniture.
