Special Requests: Executive Offices and Boardrooms to be finished in Maple with Walnut inlay

Brief: The OPW commissioned Farrell to manufacture and fit office furniture for the Dept. of Revenue Commissioners in Dublin. The project involved providing desking and storage for approximately 300 people over 4 floors. Farrell created an open plan layout throughout and fitted four and six person cluster workstations for optimum comfort and space management. Boardrooms were specially fitted with Maple boardroom tables with Walnut inlays. The job was completed in July 2007.
